About Palmdale Estates Events

We are a small business with big dreams! We have a huge passion for weddings and events and we pride ourselves on our close relationships with our couples, our vendors and our team. The foundation of our business is built on love, integrity and a commitment to sustainability. We genuinely care about the experience we create for our clients and their families. The environment is always top of mind throughout everything we do both onsite at our venues and behind the scenes.

Lindsey Caravelli is the CEO and venue manager and has worked in the wedding industry for 18 years specializing in everything from serving, coordinating, sales, venue design, catering logistics and so much more! When it comes to weddings and events, she has seen it all and assisted in making it happen! Her career began at Palmdale Estates in Fremont where she discovered her love of events and became apprentice to Veena Roesler who patiently taught her how to manage weddings with ultimate care, organization and success.

Nick Caravelli is our Chief of Operations ensuring all the logistics that are required to host an event are seen to. He custom designs and builds most of our wedding rentals and is extremely well versed in the hospitality industry. His hospitality roots began at Wente Vineyards where he worked in fine dining. He later worked as a contractor learning all the ins and outs of construction management and hands on projects.

In addition to running all things weddings and events at Little Hills, we also operate the wedding/event business and the Farmyard Cafe at Ardenwood Historic Farm in Fremont, CA.

Claire (left) manages almost all of our marketing, a large percentage of client and vendor communications and will be taking over venue management at Ardenwood in 2022.

Steph (right) handles our inquiries, backend administration, as well as Ardenwood rehearsals and ceremony coordination. Lindsey will be your main contact for Little Hills, but we will be expanding our team in the very near future!

Dream Team

It is very likely you will have some communication with one or both of these lovely ladies when planning your event at Little Hills. We want to provide the utmost support to you while planning your event, so do not hesitate to reach out with questions or concerns

DID YOU KNOW THAT WE HAVE A SISTER VENUE?!

Palmdale Estates Events also operates weddings and events at the gorgeous Ardenwood Historic Farm in Fremont, CA. We have been at this location since 2017 and are so proud of all the beautiful enhancements we have been able to add to this property to serve our wedding and corporate clients in the most memorable and functional way possible.
